Teacher Comment

Ekene has shown potential this term, but there are significant areas for improvement. With a low attendance rate of 66.67%, it is crucial for Ekene to engage more consistently in class activities to enhance learning outcomes. The quiz average indicates a need for further study and support in understanding the course material. I encourage Ekene to seek help and participate actively in the next term.

Strengths

Areas for Improvement

- Increase attendance to at least 80%
- Improve quiz preparation and study habits
- Complete all assignments on time

Goals Next Term

- Achieve a quiz average of at least 50%
- Submit all assignments with a focus on quality
- Participate more actively in class discussions
