Teacher Comment

Anthony has shown remarkable dedication by maintaining a perfect attendance record this term. However, his overall course progress indicates that he has faced challenges in engaging with the material effectively. I encourage him to seek additional support in understanding the concepts covered in class. With focused effort and practice, I believe he can improve his performance significantly.

Strengths

- Perfect attendance
- Demonstrates a willingness to participate in class discussions

Areas for Improvement

- Needs to improve quiz scores and assignment submissions
- Should engage more actively with course materials

Goals Next Term

- Aim for at least a 50% average in quizzes and assignments
- Participate in study groups or seek tutoring for additional support
- Set aside regular study time to review class materials
