Teacher Comment

Eze Caleb has shown complete attendance this term, demonstrating a strong commitment to being present in class. However, his quiz average indicates a need for improvement in understanding the course material. With a course progress of only 20%, it is essential for him to engage more actively in assignments and seek assistance when needed. I encourage Eze to utilize available resources and participate more in class discussions to enhance his learning experience.

Strengths

- Perfect attendance
- Demonstrated commitment to being present

Areas for Improvement

- Quiz average needs significant improvement
- No assignments submitted
- Low course progress

Goals Next Term

- Achieve at least a 50% average on quizzes
- Complete and submit all assignments
- Increase course progress to at least 70%

- Engage more actively in class discussions
