Teacher Comment

Toluwanimi has shown remarkable dedication to assignments, achieving a perfect average of 100%. However, there is a noticeable gap in quiz performance, with an average of 49%. This indicates a need for improvement in understanding the material covered in quizzes. Attendance has been a concern at 66.67%, which may be impacting overall progress. I encourage Toluwanimi to engage more actively in class discussions and seek help when needed.

Strengths

- Exceptional performance in assignments
- Demonstrates a strong work ethic in completing tasks

Areas for Improvement

- Increase participation and attendance to enhance learning
- Focus on quiz preparation and understanding of key concepts

Goals Next Term

- Aim for a quiz average above 70%
- Maintain 100% on assignments
- Improve attendance to at least 85%
